

# DEPARTMENT OF ENERGY COMPUTATIONAL SCIENCE GRADUATE FELLOWSHIP

*The DOE CSGF is open to senior undergraduates and those in their first year of graduate study.*

The Department of Energy Computational Science Graduate Fellowship (DOE CSGF) provides up to four years of financial support for students pursuing doctoral degrees in fields that use high-performance computing to solve complex problems in science and engineering.

The program also funds doctoral candidates in applied mathematics, statistics, computer science, computer engineering or computational science – in one of those departments or their academic equivalent – who undertake research in enabling technologies for emerging high-performance systems. Complete details and a listing of applicable research areas can be found on the DOE CSGF website.

## BENEFITS

- \$45,000 yearly stipend
- Payment of full tuition and required fees
- Yearly program review participation
